Fort Wayne, IN 46807

Dear Adam,

Speaking for, and on behalf of, the family of Elva E. Gaskill I hereby grant permission for the Allen County Genealogical Society of Indiana to re-publish online the two books about Miner School; namely:

On Common Ground: A History of Miner School

And

A School to Remember: A Revised History of Miner School

My mother would be very happy about this continuation of her efforts to document the history of an institution that had such a lasting effect on students, teachers, and staff not to mention the neighborhood and the city of Fort Wayne.

Best Wishes,

Jerry W. Gaskill (Son of Elva E. Gaskill)
