Mrs. Harry Reinking	served 1949-50
Mrs. Melvin Arnold	served 1950-51
Mrs. Lewis Kesler	served 1951-52

Mrs. Lewis Kesler, our current Pre-school President speaks in the interest of Pre-school organization and in behalf of all her group when she says:

"The Pre-school organization has a full program planned for the year 1951-52. We have ten regular meetings at which we invite capable speakers to talk to us on subjects of interest to pre-school mothers. The topics we choose are taken from the National P.T.A. Magazine.

We also enjoy a social hour which is planned for us by our social committee. The friendship cultivated at our meetings are something to be highly treasured. It is my hope that the friendliness in this group will continue in the coming years as in the past.

To point to some of our most interesting meetings of the year, I would like to say our Christmas Party is looked forward to by each one of us from one year to the next and each one seems more enjoyable than the last. We have a pot-luck supper and gift exchange, also a program which includes a Christmas story. This year it was given by one of our Past presidents, Mrs. Darwin Grodrian. Also we were honored to be hosts to the Mother's Chorus on their very first public appearance. The past presidents were invited and a good number accepted.

In May we have "Kindergarten day" when we entertain the kindergarten mothers with a breakfast at the school. Our guest is the Supervisor of Elementary Education, Miss Mable Holland. In June we have a picnic with which to finish up the year.
